## Miscellaneous Construction Inspection Fee Schedule

<b>Re-inspection Fee</b>	\$75.00 for 1st offense, double the previous fee for every re-inspection issued thereafter	The inspection fee shall be assessed for each re-inspection when: an inspection is called and is not complete when the inspector arrives; when corrections called out on a previous inspection are not made; or when a contractor does not have the permit card or the plans are not available to the inspector.
<b>After Hours Inspection</b>	\$75.00 per hour (2 hour minimum)	This "After Hours Inspection Fee" shall be assessed whenever, at the request of the contractor or building owner, the fire department conducts an inspection after or before the normal business hours of 0700 to 1730 Monday through Friday, or anytime on weekends. This fee shall be doubled when the inspection occurs on a holiday or holiday weekend.
<b>Work Without a Permit or Approval</b>	Double Fee (Inspection Fee and Plan Review Fee x2)	This inspection fee is to be assessed whenever any work for which a permit is required by the fire department has been commenced without first obtaining a permit.
<b>Technical Assistance Fee</b>	Actual cost to reimburse Arvada Fire Protection District	To determine acceptability of technologies, processes, products, facilities, materials and uses attending the design, operation or use of a building or premises subject to the inspection of the fire department.
<b>Misc. Inspection Fee</b>	\$75.00 per hour	This inspection fee is to be assessed when there is no other applicable fee indicated and which occurs during normal business hours.
<b>Pyrotechnic Special Effects Permit</b>	\$150.00 per performance	Includes permit and test to demonstrate the safe use of pyrotechnic special effects.
<b>False Alarm Inspection Fee</b>	\$150.00 per vehicle per hour or portion thereof	Imposed for each response to a false alarm in excess of five (5) per calendar year.
<b>Public &amp; Private Assembly Inspection Fee</b>	\$45.00 per person per hour	Fee is assessed when the fire department determines that qualified "stand-by personnel" are required.
