

**NOTICE  
TO GENERAL CONTRACTORS  
TO BID ON PUBLIC WORKS PROJECT**

NOTICE IS HEREBY GIVEN that the Arvada Fire Protection District, a political subdivision of the State of Colorado, is soliciting pre-qualifications from general contractors to participate in the pre-construction process and for consideration for the construction of the Fire District's Fire Station #7 and #9, located within Arvada, CO:

Construct the new one story, approximately 9,000 square foot, fire station #7 located east of West 91<sup>st</sup> Avenue & Eldridge Court.

Construct the new one story, approximately 9,000 square foot, fire station #9 located at the northwest corner of West 80<sup>th</sup> Avenue & Simms Street.

Beginning 10:00 a.m. on Tuesday, January 8, 2019, pre-qualification documents may be obtained from the Fire District's administrative office located at 7903 Allison Way, Arvada, Colorado 80005; (303-228-3601) or at [arvadafire.com](http://arvadafire.com).

Completed and sealed pre-applications must be received by the Fire District at the administrative office located at 7903 Allison Way, Arvada, Colorado 80005 before 4:00 p.m. on Wednesday January 23, 2019. Bids received after the submission deadline will not be considered.

Each pre-application must conform and be responsive to the standard application provided by the Fire District. Any deviation from the standard application form or failure to provide the required information may be considered nonresponsive and grounds for disqualification and rejection of the bid. The Fire District reserves the right to reject any or all bids, to terminate or modify the project, and to waive any irregularities in any bids received.
