

2009 BURN PERMITS (CONTROLLED BURNS)

Open burn permits will be issued for the following;

- 1) Open burn permits will be issued for Irrigation Ditch maintenance
- 2) Pine beetle slash, when approved by the Colorado Forest Service

Open burn permits WILL NOT be issued for field burning, tree limbs, dried leaves, garden debris, fence rows or other burns not directly related to the above situations unless an inspection is conducted by the Division of Fire Prevention prior to the issuance of a burn permit. **The fire department is authorized to order the extinguishment by the permit holder, or another person responsible of open burning that creates or adds to a hazardous or objectionable situation.**

Information can be obtained from the Division of Fire Prevention at 303-424-3012

- Applications for burn permits are available at the District Office, 7903 Allison Way, between the hours of 7 a.m. and 5:30 p.m. Monday – Friday.

This policy is subject to change resulting from any state or local restrictions.

OPEN BURNING SHALL BE CONDUCTED AFTER DAWN AND COMPLETED BY DUSK

Agricultural, irrigation, Forest Management permits are good from March 1st – October 31st and are required to be renewed annually.

All valid burn permits for the Arvada Fire District are located in the dispatch Burn Permit Book. Before burning with a valid permit, the citizen shall call dispatch prior to and at the completion of burning.
