

## **New Fire Station 2 site work for March 4th—18th**

- Continue to bore holes and install piping for the geothermal heating/cooling system.
- Pour foundation walls for the truck bay (middle section)
- Installation of the foundation forms on the north and south sections of the building.

Of course, this is all weather permitting. If you have any questions about the project, please call Chief Jon Greer at 303-424-3012.
